News about employees at Compac

Lotte Backer:

It is a pleasure to announce that Lotte Backer is now working for Compac again. She will support the export sales department, which has been under a lot of pressure lately during this growth period.

Mai Thisted:

Mai is temporarily away from Compac on maternity leave. She gave birth to a small boy just a few weeks ago.

Peter Danielsen:

Peter is employed at Compac as Export Trainee. He will be supporting our customers in selected countries until Mai is back.

The plan is that he will join Compac's external sales team after finishing an internal training program.
